The Friendship Campus

THE GREENBERG FAMILY/SKECHERS CENTER

Unlocking human potential.

Our goal is to elevate the lives of those with intellectual and developmental disabilities and help them integrate with the greater community. Friendship Foundation's inclusive campus, opening in 2026, will provide vocational pathways and give individuals the tools to transform the workplace and fulfill their lifelong passion and find purpose.

Transforming lives, one friendship at a time.

Founded in 2007, the Friendship Foundation is dedicated to building an integrated and accepting community for individuals, with the goal of providing children with disabilities the same advantages as their peers to enjoy life.

The success and growing demand from the Foundation's existing programs have expanded the vision to include an innovative campus centered around transforming lives, the workforce, and society.

What started with just 8 children and 22 volunteers has grown to:

23
School Districts

87
School Clubs

60
Enrichment Programs

5,000+
Students & Volunteers Per Year

Designed on purpose.

Every aspect of our new campus is an expression of our mission to transform lives. From concept, to design, to functionality, to sustainability, we're creating a bright, bold, and welcoming place for the community.
